

## Lavender Heart Sachet

*By Joy McDonald from Days Filled With Joy*

for Blessington Pty Ltd

Make some of these cute sachets filled with lavender for yourself or as a gift! It's a simple project but made so much easier with our GO! Hearts die! No need to trace and cut the hearts yourself – the die cuts them perfectly. These hearts can be used to hang in between clothes, tuck under a pillow at night, or simply be decorative!

## Materials

1. AccuQuilt GO! Big or GO! Fabric Cutter
2. AQ55029 GO! Heart - 2", 3", 4"
3. 15cm x 30cm Scraps of fabric per heart
4. 20cm piece of ribbon or ricrac per heart
5. 5 or 6 stalks of lavender
6. Sewing Machine
7. Matching Sewing Thread
8. General Sewing Tools

## Cutting Instructions

Cutting instructions are per heart

1. From the scraps:
  - Using AQ55029 Go! Heart - 2", 3", 4"
    - Cut (2) 4" hearts

## Sewing Instructions

All seams are ¼" unless otherwise specified.

### Sew the Heart Lavender Sachet

1. Pin the 20cm piece of ribbon to the wrong side of one of the hearts:

2. Place the other heart, wrong sides together, on top of the first heart with ribbon, pin:

3. Starting at the side of the heart, stitch around it. Slow down where the ribbon is pinned and pull the pin out to avoid hitting it with the needle. Leave a gap to fill with lavender:

4. Fill with fresh lavender:

5. Once filled, sew the gap closed, stitching over a few of the existing stitches:

## Other Options

- Use ricrac instead ribbon if desired
- Make the lavender heart sachet plain without a ribbon or ricrac

## Congratulations on finishing your project!
